ARDSLEY HACKS
SPONSORSHIP

What is Ardsley Hacks?

Ardsley Hacks is Ardsley High School's annual hackathon on Sunday, March 23rd, that encourages students to take an interest in coding and explore careers in technology.

Why Sponsor Us?

Hackathons are a great way for companies to meet some of the most talented and innovative young makers. Whether your company is looking to advertise, reach out to potential users, or even recruit some developers, Ardsley Hacks is the perfect way to get the word out.
